

BLUE SKY

1^{er} couplet :

Look at the sky
Come on you're right
Stare at the stars
Follow your heart
Believe'in what you are
Brave each step and soar
Get the keys of your life
And memories off your mind

1^{er} pré-refrain :

Come on your the best
Cross the road avoid fearness
Don't worry, be limitless
Take your time for hapiness
Get away from darkness
Think about it, don't be obsessed
Always be bold and fight coyness
Don't waste your time it's useless

Refrain :

When I think about it
All this guys without kins
Who keep on fighting
Come oooooon

Enjoy all these moments
Among all of your friends
Who get out of trouble
Recall you of all people,

When I think about it
All this guys who left me
On the side of the road
Like'animaaaaaaalllll

Then I see the real lights
Who made me so bright
Throughout the nights

When I was young
I dreamed that I was sailing on my boat
Through many waves,
Many Ways appeared
A smooth light shining
And since this day it has guided me

When I think about it
All this guys without kins
Who keep on fighting
Come oooooon

Enjoy all these moments
Among all of your friends

All this guys who left me
On the side of the road
Like'animaaaaaaalllll

Who made me so bright
Throughout the nights

It's a troubled world
Falling down from the clouds
You've gotta change your mind
And you'll touch the blue sky
